Taipei District Prosecutors Office in conjunction with Carrefour Cultural and Educational Foundation, FARCENT ENTERPRISE CO., LTD(花仙子企業), SHENG FENG HANG CO., LTD.(盛豐企業), Taipei Honorary Probation Association, Taiwan After-care Association Taipei Branch and Association for Victims Support Taipei Branch to prevent epidemic

Under the epidemic, many things not only seem difficult, but also change the lives of many people, and even make it difficult for many people to maintain their livelihoods and the economy.

Taipei District Prosecutors Office is located in Zhongzheng District, adjacent to Wanhua District. Moreover, Taipei Honorary Probation Association, Taiwan After-care Association Taipei Branch and Association for Victims Support Taipei Branch, which have close interaction with Taiwan District Prosecutors Office (TTDPO), mostly serve people under custody, regenerator, and victims who are suffering changes in life. This epidemic has also made their situation worse. In order to help them get out of the plight of the epidemic, TTDPO and the three associations have worked together with various social resource groups, such as Carrefour Cultural and Educational Foundation, FARCENT ENTERPRISE CO., LTD, SHENG FENG HANG CO., LTD to prevent the epidemic and care them.

Carrefour Cultural and Educational Foundation donated the epidemic prevention care boxes, FARCENT ENTERPRISE CO., LTD donated cleaning and epidemic protective equipment, and SHENG FENG HANG CO., LTD

donated necessities for livelihood. Witnessed by Chief Prosecutor of TTDPO, representatives of the three associations accepted those donations and hoped to help the people under custody, regenerator, victims have sufficient supplies to prevent the epidemic. In order to thank the above groups for their assistance, the three associations gave certificates of appreciation and various products created by people under custody, regenerator, victims, hoping to help expand their sales channels.

Caring is an old-fashioned way, but it is an effective and touching support force. Chief Prosecutor of TTDPO expects that through this caring action, the people under custody, regenerator, victims who are difficult in lives can feel the support and warmth of all sectors of the society, including the three associations, Carrefour Cultural and Educational Foundation, FARCENT ENTERPRISE CO., LTD, SHENG FENG HANG CO., LTD. In this way, they can recover from the changes, no panic or fear to face the epidemic, take care of themselves with the support of various materials including food and cleaning supplies, and bravely overcome the epidemic and start new lives again.
